

# Adopted Girls: Their Journey to America and the Search for Missing Past

By [Author's Name]

***Adopted Girls*** is a gripping and moving account of the lives of three young women who were adopted from Korea and brought to the United States. The book follows their lives as they navigate the challenges of growing up in a new culture, searching for their birth families, and coming to terms with their identities.

## The Lost Daughters of China: Adopted Girls, Their Journey to America, and the Search for a Missing Past: Adopted Girls, Their Journey to America, and the Search for a Missing Past by Karin Evans

The three girls are all adopted by American families in the 1970s and 1980s. They grow up in very different circumstances, but they all share the experience of being adopted from a foreign country and raised in a culture that is not their own.

As they grow older, the girls begin to question their identities. They wonder who their birth parents are, and they long to know more about their Korean heritage. They embark on journeys to find their birth families, and their stories are both heartbreaking and inspiring.

***Adopted Girls*** is a powerful and important book about the experience of adoption. It is a story of loss, identity, and the search for home. It is a must-read for anyone who is interested in adoption, Korean culture, or the human experience.

## Reviews

"***Adopted Girls*** is a beautifully written and deeply moving account of the lives of three young women who were adopted from Korea and brought to the United States. The book is a must-read for anyone who is interested in adoption, Korean culture, or the human experience." - [Reviewer's Name], [Publication]

"***Adopted Girls*** is a powerful and important book that shines a light on the often-hidden experiences of adopted children. The author's writing is clear and concise, and she does an excellent job of capturing the complex emotions of her subjects." - [Reviewer's Name], [Publication]
