In his new book, *Americana: Dispatches From The New Frontier*, acclaimed author John Smith takes readers on a journey through the heart of America's heartland. From the rolling hills of Pennsylvania to the wide-open spaces of Montana, Smith explores the hidden corners of the country, meeting the people who make it unique.

Along the way, Smith uncovers a country that is both familiar and strange. He finds a deep-rooted sense of community, but also a growing sense of isolation. He encounters people who are proud of their traditions, but also open to change. And he sees a landscape that is both beautiful and fragile.

*Americana* is a love letter to the American people and a meditation on the state of the nation. It is a book that will make you laugh, cry, and think. It is a book that will stay with you long after you finish reading it.
