The story follows the death of Jason Todd, the second Robin, at the hands of the Joker. Jason's death was a major turning point for Batman and had a profound impact on the character and the entire Batman mythos.

History

The "Death in the Family" storyline was first published in Batman #426-429 in 1988. The story was written by Jim Starlin and drawn by Jim Aparo.

The story begins with the Joker kidnapping Jason Todd. The Joker tortures Jason for weeks, eventually killing him with a crowbar. Batman is devastated by Jason's death and vows revenge on the Joker.

The "Death in the Family" storyline was a huge success and sparked a major controversy among fans. Some fans were outraged by Jason's death, while others praised the story for its realism and emotional impact.

Legacy

The "Death in the Family" storyline has had a lasting impact on the Batman comics. Jason Todd's death has been a major influence on Batman's character and the way he operates.

The story has also been adapted several times, including in the animated films "Batman: Under the Red Hood" and "Batman: Death in the Family." It has been hinted that the upcoming live-action film "The Batman" will also feature the Death in the Family storyline.

The "Death in the Family" storyline is one of the most important and influential in the history of Batman comics. It is a complex and tragic story that has had a profound impact on the character and the entire Batman mythos.

Character Profiles

Batman
