In this gripping and inspiring memoir, a young woman recounts her extraordinary coming-of-age in the dangerous and unforgiving world of the Alaska underworld.

Born to a volatile and abusive father and a drug-addicted mother, the author spent her childhood living in poverty and fear. But despite the challenges she faced, she developed a fierce determination to survive and escape the cycle of violence that surrounded her.

As a teenager, the author found herself drawn to the dangerous world of drug dealing and prostitution. She witnessed firsthand the brutality and violence of this world, but she also found a sense of community and belonging among the other outcasts who populated it.

Through it all, the author never gave up on her dream of a better life. She eventually found the strength to break free from the underworld and rebuild her life. Today, she is a successful businesswoman and a devoted mother. Her story is a testament to the resilience of the human spirit and the power of hope.
