Hockey is a tough sport, and there are few players tougher than the enforcers. These are the guys who are willing to drop the gloves and fight anyone, anytime. They are the protectors of their teammates, and they are feared by their opponents.

In *Hockey's Greatest Enforcers: Gunslingers and Bad Boys*, author John Scott tells the stories of the toughest and most feared players in hockey history. From the early days of the game to the modern era, Scott profiles the players who have made a name for themselves as enforcers.

These are the players who have fought the biggest fights, and who have taken the most punishment. They are the guys who have stood up for their teammates and who have never backed down from a challenge.
