This audio book is a comprehensive guide to learning Indian classical raga music on the flute. It includes detailed explanations of the different ragas, as well as exercises and recordings to help you practice.

## What is Indian classical raga music?

Indian classical raga music is a form of music that is based on a set of melodic scales and rhythmic patterns. The ragas are said to have originated in ancient India, and they have been passed down through generations of musicians.

Ragas are typically played on a single instrument, such as the flute, sitar, or tabla. The musician will improvise within the raga, using the scales and rhythms to create a unique performance.

## What are the benefits of learning Indian classical raga music?

There are many benefits to learning Indian classical raga music, including:

- Improved musicality
