In a world controlled by the ultra-wealthy and elite, the Lazarus are a class of genetically engineered warriors who serve as the protectors of their families. Forever Carlyle is one such Lazarus, sworn to protect the Lazarus Freehold from all threats, both foreign and domestic.

But when the Freehold is attacked by a rogue Lazarus, Forever finds herself questioning everything she thought she knew. Who is this enemy? And what are their motives? As Forever investigates, she uncovers a web of conspiracy and betrayal that reaches to the highest levels of power.

Lazarus: Vol. 1 - Cull is a gripping and thought-provoking dystopian tale that explores the themes of class warfare, genetic engineering, and the nature of loyalty. Rucka's writing is sharp and incisive, and his characters are complex and well-developed.

The art by Michael Lark is equally impressive, with its stark black-and-white visuals perfectly capturing the gritty and unforgiving world of Lazarus. The result is a graphic novel that is both visually stunning and intellectually stimulating.

Lazarus: Vol. 1 - Cull is an excellent start to a new series that is sure to appeal to fans of dystopian fiction, science fiction, and comic books.

## About the Author

Greg Rucka is an American writer known for his work on comic books, including Lazarus, Stumptown, and Gotham Central. He has also written several novels, including the Atticus Kodiak series and the Queen & Country series.

## About the Illustrator

Michael Lark is an American comic book artist known for his work on Lazarus, Daredevil, and The Punisher. He has won several awards for his work, including the Eisner Award for Best Artist.
