## A Comprehensive Guide to Creating Your Own Illuminated Journal

If you're looking for a way to express your creativity and create something truly unique, then an illuminated journal is the perfect project for you. An illuminated journal is a personal journal that is decorated with beautiful illustrations, paintings, and other embellishments. It's a great way to document your thoughts and experiences, and it can also be a work of art in its own right.

In her book, *Life In Hand: Creating The Illuminated Journal*, artist and author Susanna Bauer gives you everything you need to know to create your own illuminated journal, from start to finish. With step-by-step instructions and beautiful illustrations, this book will help you create a unique and personal work of art that you can cherish for years to come.

In the first part of the book, Bauer covers the basics of illuminated journaling, including choosing the right materials, preparing your journal,

and creating your own designs. She also provides a helpful overview of the history of illuminated manuscripts and their influence on modern illuminated journals.

The second part of the book is a detailed guide to creating your own illuminated journal, from start to finish. Bauer provides step-by-step instructions for a variety of techniques, including painting, drawing, collage, and calligraphy. She also includes helpful tips for troubleshooting and finishing your journal.

Whether you're a beginner or an experienced artist, *Life In Hand: Creating The Illuminated Journal* is the perfect resource for creating your own beautiful and unique illuminated journal. With Bauer's expert guidance, you'll be able to create a work of art that you can cherish for years to come.

**Here are some of the things you'll learn in *Life In Hand: Creating The Illuminated Journal*:**

- The history of illuminated manuscripts and their influence on modern illuminated journals
- How to choose the right materials for your illuminated journal
- How to prepare your journal for painting and drawing
