Overview of the Reading Section

The TOEFL iBT Reading section consists of three to four passages, each approximately 700 words long. The passages cover a variety of academic topics, such as science, history, and culture.

Each passage is followed by 10-12 multiple-choice questions. The questions test your ability to understand the main idea of the passage, identify supporting details, and make inferences.

Effective Reading Strategies

To master the TOEFL iBT Reading section, you need to develop effective reading strategies. Here are some proven techniques:

1. **Skim the passage:** Before you read the passage in detail, skim it quickly to get a general idea of its content. This will help you focus your reading and identify important information.
2. **Identify the main idea:** Once you have skimmed the passage, identify the main idea. This is the central argument or point that the author is trying to convey.
3. **Identify supporting details:** Once you have identified the main idea, look for supporting details that explain and support the author's argument.
4. **Make inferences:** Inferences are s that you can draw from the information in the passage. To make inferences, you need to use your critical thinking skills and connect the dots between different pieces of information.

Proven Tips for Answering Questions

In addition to developing effective reading strategies, you also need to learn some proven tips for answering questions on the TOEFL iBT Reading section:

1. **Read the question carefully:** Before you answer a question, read it carefully and make sure you understand what it is asking.
2. **Eliminate incorrect answers:** Once you have read the question, eliminate any answers that are clearly incorrect.
3. **Choose the best answer:** From the remaining answers, choose the one that is the most correct and complete.
4. **Check your answer:** Once you have chosen an answer, double-check it to make sure that it is correct.

Practice Exercises and Sample Questions

The best way to prepare for the TOEFL iBT Reading section is to practice as much as possible. Here are some practice exercises and sample questions to help you get started:
