

Mencken Chrestomathy: A Treasury of Irreverent Prose and Verse

H.L. Mencken was one of the most influential American writers of the 20th century. A master of invective, satire, and humor, Mencken delighted in skewering the foibles of his time. This chrestomathy, a selection of his best work, is a must-have for any fan of Mencken or American literature.

From the by Terry Teachout

H.L. Mencken was a man of many talents. He was a brilliant journalist, a trenchant critic, and a gifted essayist. But above all, he was a master of invective, satire, and humor. Mencken delighted in skewering the foibles of his time, and he did so with a wit and ferocity that has rarely been equaled.

This chrestomathy is a selection of Mencken's best work. It includes some of his most famous essays, such as "The American Language" and "The National Letters," as well as a generous selection of his shorter pieces, including reviews, columns, and poems.

Mencken's writing is still relevant today, even though the world he wrote about has changed dramatically. His insights into human nature are timeless, and his wit is as sharp as ever. This chrestomathy is a must-have for any fan of Mencken or American literature.
