In the summer of 2008, eleven climbers died on K2, making it the deadliest climbing season on the mountain in history. No Way Down is the gripping account of that fateful season, told by the climbers who survived.

The book follows the climbers as they prepare for their ascent, navigate the treacherous slopes of K2, and face the challenges of high altitude and extreme weather. It is a story of courage, determination, and survival.

No Way Down is a must-read for anyone interested in mountaineering, adventure, or the human spirit.
