

Principles Of Being Principal: A Path To Excellence For School Leaders

The role of a school principal is one of the most challenging and rewarding in education. Principals are responsible for leading their schools in a way that ensures that all students have the opportunity to succeed. This means setting a vision for the school, building a culture of high expectations, and managing the school's resources effectively.

In their book, *Principles Of Being Principal*, authors Tom Sergiovanni and Robert J. Starratt provide a comprehensive guide to the principles and practices that effective school principals follow. The book is based on the authors' combined experience of over 50 years in education, including 25 years as school principals.

The Wilma Holmes Story: Principles of being a Principal by Wilma Holmes
