This lavishly illustrated book is a visual feast, featuring over 200 stunning illustrations from medieval manuscripts, tapestries, and other works of art. These images capture the essence of medieval society, from the grandeur of castles to the bustling streets of towns and cities.

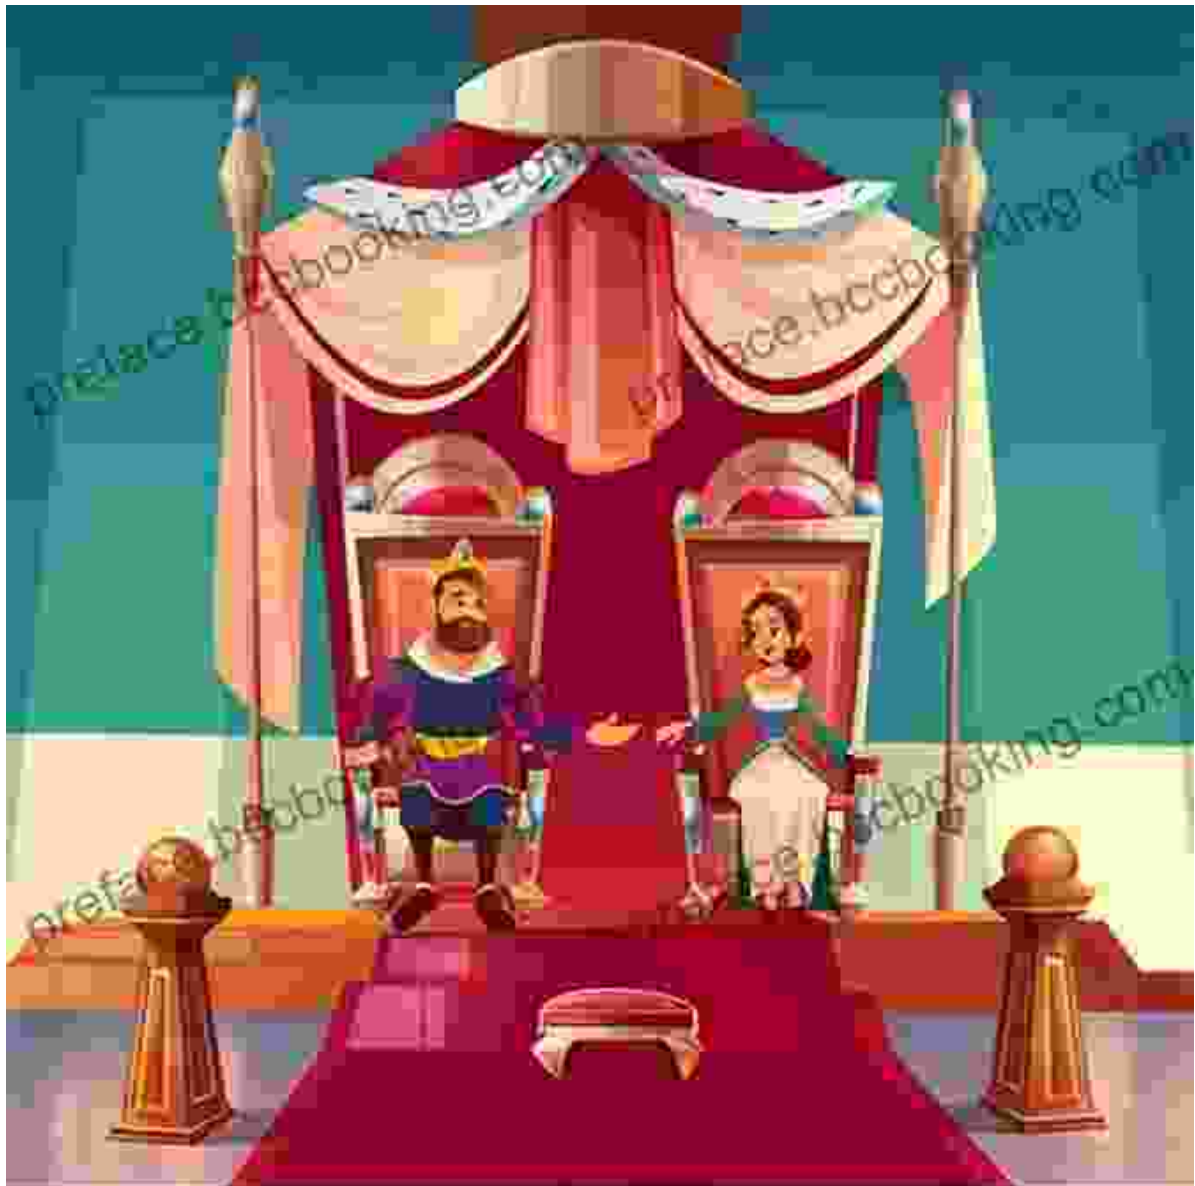

Scenes & Characters of the Middle Ages is more than just a collection of beautiful images. It is also a fascinating historical document, providing a glimpse into the lives of people who lived centuries ago. The book's accompanying text, written by a team of expert medievalists, provides rich

context for the illustrations, exploring the social, political, and cultural forces that shaped the Middle Ages.

A World of Kings and Queens, Knights and Ladies

The Middle Ages was a time of great social hierarchy, with the king or queen at the top of the social ladder. The nobility, including dukes, counts, and barons, held positions of power and influence. Knights were the elite warriors of the era, sworn to protect their lords and defend the realm. Ladies were the wives and daughters of the nobility, and they played an important role in the social and cultural life of the Middle Ages.

Scenes & Characters of the Middle Ages features stunning illustrations of kings and queens, knights and ladies, in all their finery. These images capture the grandeur and pageantry of medieval court life.

Knight

A World of Peasants and Merchants, Craftsmen and Scholars

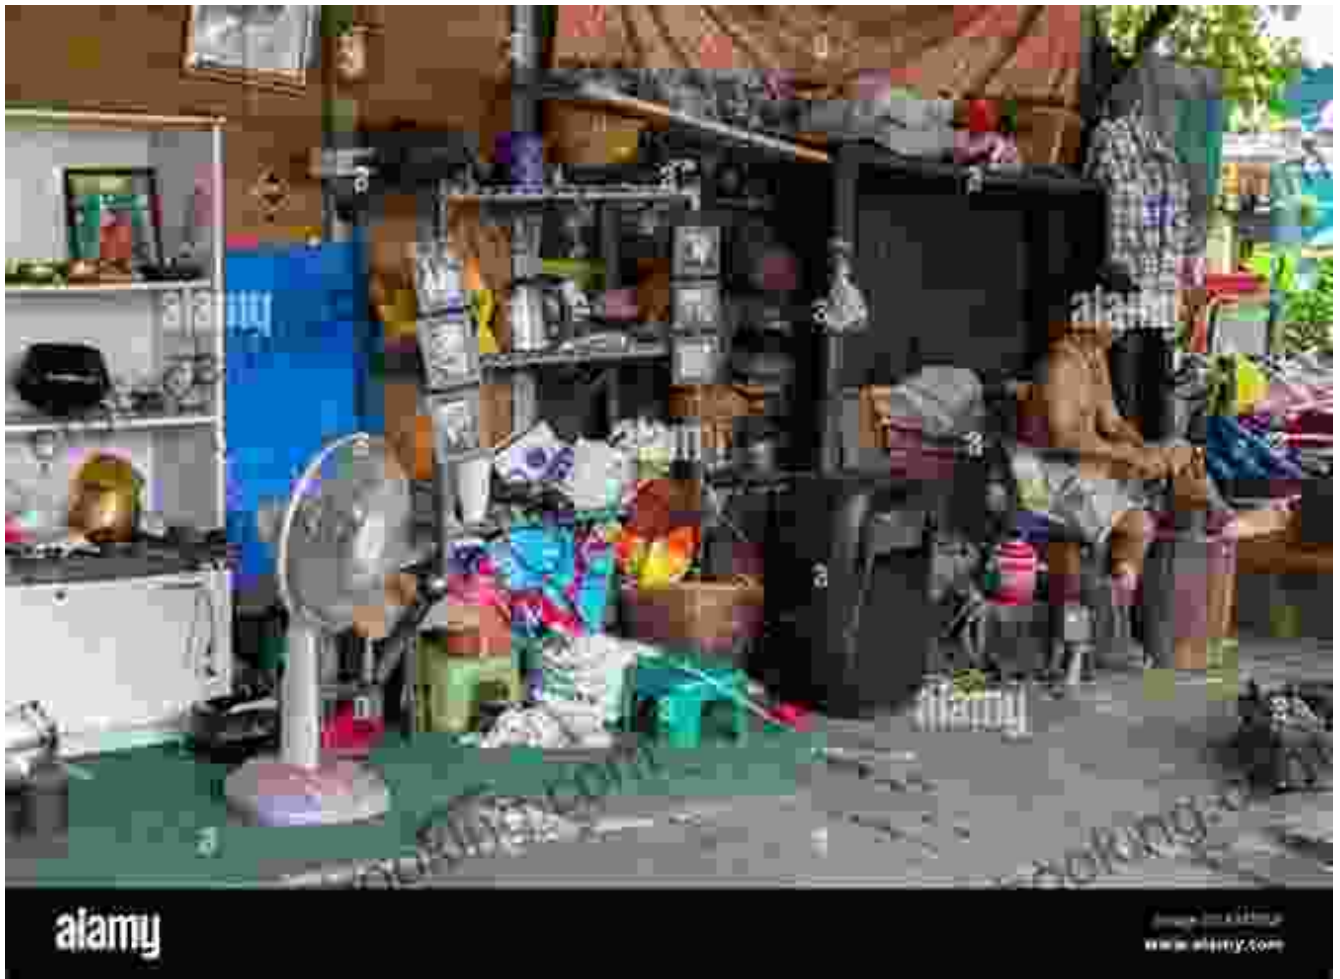

The vast majority of people in the Middle Ages were not nobles or knights. They were peasants, who worked the land and provided food for the rest of society. Merchants traveled from town to town, trading goods and services. Craftsmen created beautiful objects, from furniture to jewelry. Scholars pursued knowledge in universities and monasteries.

Scenes & Characters of the Middle Ages includes many illustrations of ordinary people going about their daily lives. These images provide a glimpse into the challenges and rewards of life in the Middle Ages.

Peasants

Craftsman

A World of Castles and Cathedrals, Towns and Villages

The Middle Ages was a time of great architectural achievement. Castles were built to protect lords and their lands. Cathedrals were constructed to glorify God and provide a place of worship for the faithful. Towns and villages sprang up around castles and cathedrals, becoming centers of trade and commerce.

Scenes & Characters of the Middle Ages features many illustrations of medieval architecture, from grand castles to humble cottages. These images provide a sense of the physical environment in which people lived in the Middle Ages.
