Traction is the only book you need to get your business moving. This practical guide will help you identify your key goals, develop a plan to achieve them, and track your progress along the way. With Traction, you'll learn how to:

- Set clear and achievable goals
- Create a traction roadmap
- Identify your key performance indicators (KPIs)
- Track your progress and make necessary adjustments

Traction is for any business, regardless of size or industry.

If you're struggling to get your business off the ground, or if you're looking to take your business to the next level, Traction can help. This book is

packed with practical advice and tools that you can use to improve your business's traction.

Here's what people are saying about Traction:

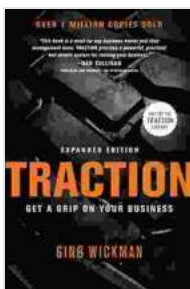

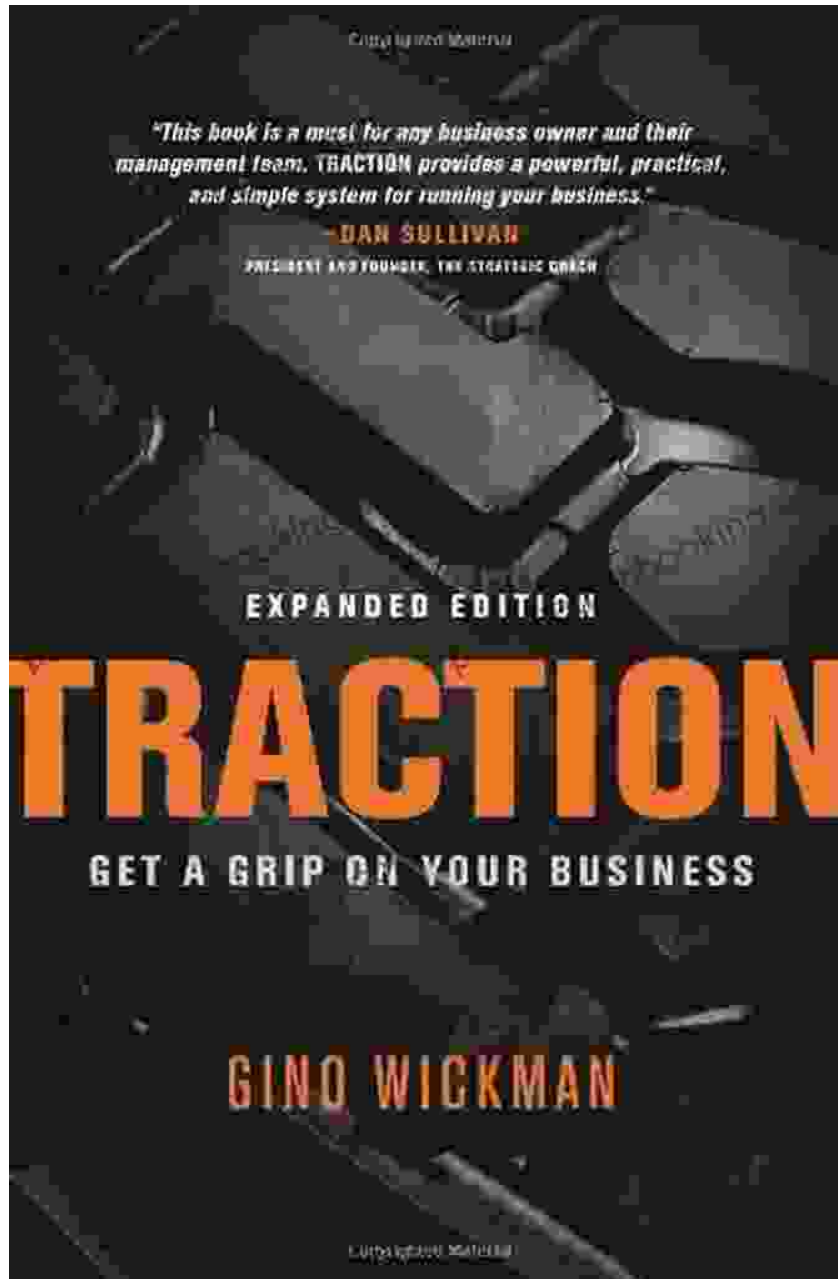

“ "Traction is the best book on business growth I've ever read. It's packed with practical advice that I've used to grow my own business." - Guy Kawasaki, author of The Art of the Start”

“ "Traction is a must-read for any entrepreneur who wants to build a successful business. This book will help you get your business moving and keep it moving forward." - Reid Hoffman, co-founder of LinkedIn”
