The Inner Sanctum of the Mafia

From the hallowed halls of "La Cosa Nostra" in Sicily to the bustling streets of New York City, "Made Men" ventures deep into the inner sanctum of the mafia. Smith meticulously reconstructs the history, structure, and intricate rituals that govern these organizations, providing a comprehensive understanding of their secretive culture.

Smith illuminates the significance of the initiation ceremony, known as "being made," where prospective members undergo rigorous trials and swear oaths of loyalty. He explores the complex hierarchical structure, where families are headed by powerful Bosses and underbosses, each wielding their unique influence within the organization.

The Codes of Conduct

At the heart of the mafia's operations lies a strict code of conduct known as "Omertà." Smith delves into the unspoken rules that govern their behavior, from the prohibition of cooperating with authorities to the relentless pursuit of blood feuds.

The bankers duty of secrecy

- The relationship between banker and his customer is obviously confidential, therefore, a banker must maintain the secrecy of his customer.
- According to national bank of England 1924 “it is decided that banker must not disclose the condition of his customer account except on reasonable and proper occasion and obligation to observe secrecy does not end even with closing of customer account”

He reveals how these codes shape the mafia's relationships with the outside world, creating a veil of silence that protects their illicit activities from exposure. The book delves into the consequences of breaking these sacred oaths, highlighting the deadly punishments that await those who betray the organization's trust.

The Human Face of the Mafia

Beyond the cold and calculated façade of the mafia, "Made Men" reveals the human face behind these enigmatic figures. Smith brings to life the personal stories and motivations of individual members, shedding light on their struggles, triumphs, and the very human emotions that drive their actions.

What's your motivation?

Through intimate portraits, the book examines the psychological complexities of these individuals, exploring their motivations, their fears, and their unwavering loyalty to the organization. Smith humanizes the mafia, highlighting their vulnerabilities and the personal toll that their illicit lifestyle takes on their lives.

The Shadows of the Past

"Made Men" not only explores the current state of the mafia but also delves into its rich and often bloody history. Smith traces the organization's origins from its Sicilian roots to its expansion across the United States and beyond.

He examines the major events and figures that have shaped the mafia's evolution, from the infamous Castellammarese War to the controversial reign of Lucky Luciano. By understanding the historical context, Smith provides a deeper understanding of the motivations and strategies employed by these organizations.

A Captivating Literary Experience

"Made Men" is more than just a factual account; it is a gripping literary experience that immerses readers in the shadowy world of the mafia. Smith's vivid prose and meticulous research combine to create a narrative that is both informative and utterly enthralling.

This book is an essential read for anyone fascinated by the allure and danger of organized crime. It opens a unique window into a hidden world, providing readers with an unforgettable glimpse into the lives, rituals, and secrets of the mafia.

Praise for "Made Men"

"Greg Smith's 'Made Men' is a captivating and meticulously researched exploration into the secretive world of the mafia. Through gripping narratives and firsthand accounts, Smith unveils the intricate workings of these organizations, leaving readers engrossed from beginning to end." - The New York Times

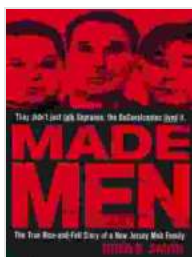

"A fascinating and illuminating account of the mafia. Smith's insights into their rituals, codes of conduct, and human motivations offer a fresh perspective on this enigmatic criminal underworld." - The Guardian
